# About Us

**WE ARE DEDICATED TO BRINGING THE FRESHEST, HEALTHIEST  
FRUITS FROM TRUSTED FARMS TO HOMES WORLDWIDE...**

**Jeevanprabha Farmer Producer Company Ltd.** is a trusted name in the fresh produce trade, led by **Mr. Sanjay Raut**, whose experience in sourcing and trading agricultural products spans decades. With deep roots in farming communities, we have built a strong reputation for delivering the right fresh fruit to the right market at the right time.

Our team blends the wisdom of experienced professionals with the enthusiasm of young talent, ensuring a perfect balance of knowledge, innovation, and energy. We understand the diverse quality requirements of global markets and remain committed to the highest standards of freshness, safety, and timely delivery.

Thanks to India's vast geography and favorable climate, we are able to grow and supply a wide variety of fresh produce year-round. We welcome you to Incredible India and look forward to being your trusted partner for everything fresh.

# OUR PATH & PROMISE

## MISSION

To deliver farm-fresh, premium-quality fruits while empowering local farmers through fair trade practices, sustainable farming, and innovative distribution channels.

## VISION

To establish self-owned plantations, beginning with pomegranates, ensuring uncompromised quality control and a consistent year-round supply. By embracing innovative farming practices to adapt to changing weather patterns and meet rising global demand, we aim to uphold the highest food safety standards and strengthen our presence in international markets.

### Benefits for Society:

For Farmers: Better prices, access to global markets

For Customers: Fresh, safe, and consistent produce

For the Planet: Environmentally responsible farming
